TO: Financial Aid Administrators

FROM: Tae Kang *Tae Kang*

SUBJECT: **2022-23 Cal Grant Spring Semester Advance**

This Special Alert from the California Student Aid Commission (Commission) details the 2022-23 Cal Grant spring semester advance.

- The 2022-23 spring term advance will be processed using a 95 percent factor of the previous year's reconciled amount.
- As previously announced in [GSA 2022-50](#), the Commission evaluates the percentage to be advanced for the spring term by taking into consideration undisbursed funds from the fall advance and the State's cash management needs.
- The California State Controller's Office and the State Treasurer's Office notified the Commission that funds will be electronically delivered to campuses on **Tuesday, January 17, 2023**.
- Campuses are encouraged to continue reconciling their WebGrants payment rosters to keep their Cal Grant accounts up to date.
- The Commission will monitor Cal Grant payment rosters to ensure funds are disbursed to students in a timely manner.
